

Panhandle Farm Corridor Sponsorship

The Panhandle Farm Corridor is a collective of small farms offering agricultural products grown and raised in North Idaho.

The mission of the PFC Collective is to educate, showcase, and sell local agriculture products in our North Idaho Panhandle to consumers directly.

Our goal is to share our love of farming with our community and give everyone a chance to see where their food and farm products are grown and raised. Visit working farms and enjoy farm-fresh food and products produced right here in your backyard!
