

Panhandle Farm Corridor Application - 2023

The Panhandle Farm Corridor is a collective of small farms offering agricultural products grown and raised in North Idaho. **Our goal is to share our love of farming with our community and give customers a chance to see where their food and farm products are grown and raised.**

To join, we require that you have a farm stand open to the general public, take time to educate customers, and are geographically located in the current PFC map area. If you can answer yes to the following statements, please fill out this application.

(If you don't meet the requirements, but plan to, please email Emily at emily@lonemountainfarms.com to discuss your unique situation.)
